

## Who are Federally Qualified Health Centers for?

People who are low-income, uninsured, & have limited access to health care services.

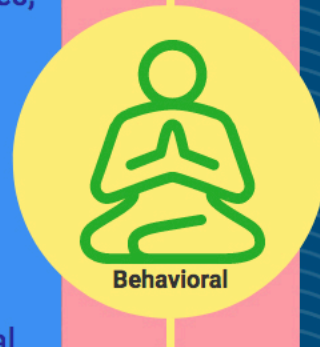

They offer a sliding scale on ability to pay.

No patient will be denied healthcare because of lack of ability to pay.

**EVERYONE** is welcome!

## Services

- **Medical**- Family, Pediatrics, Vaccines, Free Pregnancy Testing, Free HIV Testing
- **Dental**-X-Rays, Cleanings, Repair cracks, Place sealants, Fittings for measurements of dentures, & Teeth Removal
- **Vision**- Comprehensive Eye Exams, Contact Lens Services, Eye Glasses & Optical Dispensary, & Eye Infection Management
- **Behavioral**- Assessments, Education, & Solution-focused/cognitive behavioral interventions
